## **American Tax Payer Relief Act**

In January, President Obama signed the American Tax Payer Relief Act of 2012.

Among other provisions, the bill extends the IRA charitable rollover through December 31, 2013. This provision permits tax-free distributions to an eligible charity, such as the Community Foundation of Harford County, from an IRA held by someone age 70½ or older of up to \$100,000 per taxpayer, per taxable year.

Consult with your financial advisor to see how this new law may benefit you and your charitable giving in 2013.
