

**COMMUNITY  
FOUNDATION**  
OF HARFORD COUNTY

**November 12, 2013**

**Dear Tamara,**

During the week of November 12-18, the Community Foundation of Harford County (CFHC) joins with more than 750 community foundation across the US for the 24th Annual *Community Foundation Week*.

Community foundations represent one of the fastest-growing forms of philanthropy. Every state is home to at least one community foundation. There are 14 in Maryland.

**The Community Foundation of Harford County** is an independent, permanent, grant-making, non-profit organization that connects people who are with causes that matter on a local level.

Since 2009, we have awarded \$140,000 to more than 30 Harford County-based nonprofit organizations through grants and scholarships. These grants reflect our donors' diverse interests and passions such as health and human services, education, arts and culture, affordable homes, and personal growth and empowerment. You can read more about the grants [online](#).

We have the good fortune to live in a community where we care for our neighbors, our educational institutions, our cultural resources and our natural resources. We Harford Countians care with our work, our wisdom, and our wealth.

This *philanthropy* - this good will - makes Harford County a great place to work, play and live.
