Connecting People Who Care With Causes That Matter

November 15, 2013

Dear Tamara,

As we continue Community Foundation Week in Harford County, today we celebrate the [donors and funds](#) that have made a commitment to our neighbors and our county.

- Michael and Deborah Leaf established an endowment fund in 2010 to support the ongoing administrative and operating costs of the Community Foundation of Harford County. Today, the **CFHC Endowment for the Future** includes the Michael and Deborah Leaf Fund and the Helen Anderson Memorial Fund.
- Local nonprofits, including **Boys & Girls Clubs of Harford County, Alfred P. Close Foundation, Harford Family House, Homecoming Project, Lower Susquehanna Heritage Greenway, and the Walter & Betty Ward Family Center Y**, have established endowment funds for long-term support and sustainability.
- **Scholarship funds** support Harford County students pursuing careers in nursing, environmental science, and music.
- Endowment funds of all sizes support targeted needs, including hunger (Sandra and John Ferriter Fund), homelessness (Anne and John Gessner Fund), animal welfare (Sadie's Fund, Louis and Marion Storm Fund), caregivers (Shaffer-Lienhard Caregiver's Support Fund), just to name a few.
- The **Harford Community Fund** and the **Help Your Neighbor Fund** specifically target local needs and issues in Harford County.

Starting a fund is relatively simple. We work with you to...

- Consider the causes or organizations you care about, and the best [ways to offer support](#);

**At the
Community Foundation
of Harford County...**

**Every donor is a true
philanthropist.**

- Decide [how to make your gift](#) - with cash, stocks, life insurance, bequests, etc.; and
- Finalize the details in a signed fund agreement.

[Let us help you tap into your inner philanthropist!](#)
