Dear Tamara,

When it comes to doing good in Harford County, you can trust the Community Foundation of Harford County (CFHC). We are pleased to announce our accreditation with National Standards for U.S. Community Foundations™. This accreditation program affirms that we have met or exceeded the most rigorous standards in philanthropy.

National Standards affirms our commitment to excellence and accountability. It provides

assurance that we have sound policies and procedures in place for governance, grantmaking and operations. In short, we meet the highest standards for local philanthropy, and we are able to meet the unique, changing needs of Harford County.

To earn our accreditation, CFHC met strict benchmarks for quality in operations. An expert from a panel of community foundation leaders reviewed documentation for 41 standards in governance, stewardship and accountability, donor relations and other key areas.
