FOUNDATION**
OF HARFORD COUNTY

August 13, 2015

Dear Tami,

GIVE WHERE YOU LIVE

Thanks to you, your Community Foundation is now *"one with a million."* We are proud to announce that the Foundation has reached \$1,000,000 in assets under management. "Community is our first name. Reaching \$1 million in assets under management in less than 10 years in operation shows what it means to be community and how the foundation is making a difference in the lives of Harford Countians," said Benny Walker, president of Community Foundation of Harford County. "We are grateful for the community's support of our mission, which is to make our county a better place today and for future generations." [Read more...](#)
