

**COMMUNITY
FOUNDATION**
OF HARFORD COUNTY

August 2010

Dear Tamara,

Check off items from *Doe's List!!*

Doe's List is growing...

Is there a bicycle collecting dust in the garage?
The Arc needs a sturdy bicycle for someone to use for errands, shopping and recreation.

How about the trumpet you played in high school sitting in the closet? The Salvation Army is looking for brass musical instruments.

Did you recently update your office? Harford Habitat for Humanity could use a fireproof filing cabinet.

This is just a sample of the requests on **Doe's List** - an online bulletin board where local nonprofits can post needs and wish-lists, and connect with the community-at-large. Here nonprofits can post requests for specific needs, and individuals and businesses interested in helping can respond.

Check out the list today - and help check items off the list!
