Dear Tami,

We are pleased to announce a new resource for Harford County community organizations -

**THE NONPROFIT RESOURCE CENTER
Opening Monday, March 21, 2011**

[The Nonprofit Resource Center](#) is designed to help Harford County nonprofits become more effective in building and serving their communities.

The Resource Center provides local nonprofit organizations with prospect research tools and resources, technical assistance, and information for quick reference, training, or in-depth research. Located in the CFHC offices at 124 North Main Street in Bel Air, the Resource Center is open Mondays, 10:00 am-1:00 pm, and Thursdays, 1:00-4:00 pm, beginning March 21.

Staff from local nonprofit organizations can use the Resource Center by appointment. Appointments can be made through the [CFHC website](#). There is no cost to use the Resource Center. First-time users must participate in an initial training session. Please schedule at least one hour for your initial visit to allow time for training.

Many thanks to The Dresher Foundation and Peoples Bank for their support of the Nonprofit Resource Center.

All the best,

Tamara W. Zavislan
