FOUNDATION**  
OF HARFORD COUNTY

# Give Today Touch Tomorrow

**For Good. For Ever.**

*Improving life in Harford County through informed  
charitable giving*

The Community Foundation of Harford County is one of 14 community foundations in Maryland, and the only one in the northeastern part of the state.

As a vehicle for philanthropic vision and careful tax planning, CFHC enables individuals, families, and businesses to join together to achieve a greater impact for Harford County.

Founded in 2007, CFHC is a growing community foundation with a big vision – to be *the* local resource for philanthropy in Harford County. Today CFHC has more than \$600,000 in assets, with 20 active funds.

But there's one fund upon which all the others rely – the annual operating fund. It's the engine that makes CFHC run, the driving force behind all our efforts. Gifts to the annual operations support our infrastructure, secure our future, and make new programs possible.

Gifts given for operations *today* help sustain CFHC, giving us the power to make a difference *tomorrow*, and beyond.

Your commitment to the Community Foundation of Harford County puts your generosity to use for a host of social and economic benefits. The annual operating fund makes this possible. **Your donation supports our operations today, and ensures a stronger Harford County tomorrow.**

**Please make a contribution today.**
