Founded in 2006, CFHC is an emerging community foundation with a big vision - to be *the* local resource for philanthropy in Harford County. Today, CFHC has almost \$300,000 in assets, with 13 active funds.

But there is one fund upon which all the others rely - the operating fund. It's the engine that makes the Foundation run, the driving force behind all our efforts. [The Give Today Touch Tomorrow campaign](#) builds operating gifts to support our infrastructure, secure our future, and make new programs possible. Gifts given for operations **today** help sustain CFHC, giving us the power to make a difference **tomorrow**, and beyond.
